Vaccine Administration Network

Pharmacy Locations

BlueCross BlueShield of Alabama

Flu, pneumonia and shingles affect millions of people each year in the United States. These diseases harm health and raise medical and drug costs.

You can help protect yourself by getting vaccinated.

If your plan includes the Pharmacy Vaccine Network, covered benefits for flu, pneumonia and shingles shots are available at participating pharmacies for Blue Cross and Blue Shield of Alabama (Blue Cross) plan members* and their covered dependents. You may get a flu, pneumonia or shingles shot at any of the participating national retail pharmacy locations. All you need to do is present your Blue Cross member ID card. The shot is given on-site by a qualified clinician.

Age limitations, advanced registration or other requirements may apply. For your convenience, you may contact the pharmacy in advance if you have questions or to make sure these services are available.

Included is a list of Pharmacy Vaccine Network participating pharmacies and contact information. The pharmacies are listed by state. The list is current as of the date shown in the lower left corner of each page. It may be changed at any time to reflect changes in the network.

*Applies to Blue Cross plan members with flu, pneumonia and shingles vaccination coverage through the Blue Cross Pharmacy Vaccine Network. Check your Blue Cross benefit booklet to determine if this Pharmacy Vaccine Network benefit is part of your health plan.
