AHII Program Update

In order to qualify for reward payments under the Alabama Health Improvement Initiative (AHII), Preferred Medical Doctor (PMD) physicians must complete the diabetes recognition process with the National Committee for Quality Assurance (NCQA) by March 31, 2010.

The final year of the current AHII Diabetes Program is 2010. The last of the three annual patient attribution reward payments will be issued during the first quarter of 2011. [Click here](#) for additional information on the AHII Diabetes Program.

Important Information

The following disclaimer is applicable to all telephone inquiries and automated communications systems (i.e., telephone and fax) to Blue Cross and Blue Shield of Alabama:

The information provided is only general benefit information and is not a guarantee of payment. Benefits are always subject to the terms and limitations of the plan and no employee of Blue Cross and Blue Shield of Alabama has authority to enlarge or expand the terms of the plan. The availability of benefits is always conditioned upon the patient's coverage and the existence of a contract for plan benefits as of the date of service. A loss of coverage, as well as contract termination, can occur under certain circumstances. There will be no benefits available if such circumstances occur.

Note: Please refer to our web site, bcbsal.com, for the most current benefit and policy information.
