

Patient Account Requests and Responses for InfoSolutions/e-Practice Management Legacy Transactions

ALABAMA INSTITUTIONAL - PRIVATE BUSINESS

Table of Contents:

- AH20 - Patient Account Blue Cross Payment History Line Request
- AH2A - Patient Account Blue Cross Provider Payment History Response (Response to AH20)
- ZZZZ - Exception Message (Response to any request)

NOTE: We are in the process of transitioning Claim Status (AH00, AH01, AH02, AH10, AH11) and Eligibility (AH31) Legacy Transactions to the ANSI ASC X12N 276/277 and 270/271 HIPAA Compliant Formats. We will no longer test with new vendors for Claim Status or Eligibility legacy transactions.

See HIPAA testing procedures and companion documents under:
<http://www.bcbsal.com/providers/vendors/pdfs/HospitalRelationshipTable.pdf>

If you are an existing vendor that supports the AH00, AH01, AH02, AH10, AH11, or AH31 and you need the message layouts for support reasons, please contact your EDI Services Representative.
