## **BlueRx (PDP) Pharmacy Directory**

This booklet provides a list of BlueRx (PDP)'s network pharmacies. This directory is for the State of Alabama. Please contact BlueRx (PDP) at **1-855-314-4990 (TTY 711)**, 7:00 A.M. to 5:30 P.M., Monday through Friday. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about BlueRx (PDP) network pharmacies in your area, please visit our Web site at **[www.alseib.org](http://www.alseib.org)** or call our Member Services at **1-855-314-4990 (TTY 711)**, 7:00 A.M. to 5:30 P.M., Monday through Friday.

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or copayments/coinsurance may change on January 1, 2014.

BlueRx (PDP) is a Medicare-approved Part D sponsor.

To receive this material in an alternative, large print format, contact Member Services at **1-855-314-4990 (TTY 711)**.

## Introduction

This booklet provides a list of BlueRx (PDP)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and BlueRx (PDP)'s formulary. If you have additional questions, please call our Member Services at **1-855-314-4990 (TTY 711)**, 7:00 A.M. to 5:30 P.M., Monday through Friday. Or, visit **www.alseib.org**.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under BlueRx (PDP) only if they are filled at a network pharmacy. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Preferred pharmacies are network pharmacies with which our Plan has negotiated even lower cost-sharing for its plan members for covered prescription drugs than at non-preferred pharmacies. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs. **Only Preferred Extended Supply (PXT) pharmacies can offer the lower copayments for a 90-day supply of our covered Tier 1, Tier 2, Tier 3 and Tier 4 prescription drugs.** Non-preferred pharmacies do not offer lower copayments for a 90-day supply of prescription drugs.

## BlueRx (PDP)'s Network Pharmacies

Pharmacies are listed alphabetically by city. Under each pharmacy we list the Pharmacy Type so you know what type of service each pharmacy offers. The key is as follows:

- R = Retail.** We have a nationwide network of pharmacies where you can get covered prescription drugs as a member of our plan.
- LT = Long Term Care.** These are pharmacies that service long-term care nursing facilities. Residents of a long-term care facility may access their prescription drugs covered under BlueRx (PDP) through the facility's long-term care pharmacy or another network long-term care pharmacy.
- H = Home Infusion.** Pharmacies that provide infused (IV) medicine in your home per doctor's order.
- IN= Indian Health Service/Tribal/Urban Health Program.** Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through BlueRx (PDP)'s pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).
- PXT= Preferred Extended Supply.** Retail pharmacies that provide extended (90-day) supplies at retail rates.
- S = Specialty.** Pharmacies that can provide specialty prescription drugs. These medications may have special storage and handling requirements.

**Note:** National Specialty Pharmacies are listed on page 45 of this directory. The key is also listed at the bottom of each Pharmacy Directory page for your reference.

## Network pharmacies outside the service area

We have network pharmacies outside of the service area where you can get your drugs covered as a member of our plan. To locate these pharmacies, please call Member Services at **1-855-314-4990 (TTY 711)**, 7:00 A.M. to 5:30 P.M., Monday through Friday. Or, visit **www.alseib.org**.
