## Hospital Choice Network

The Blue Cross and Blue Shield of Alabama Hospital Choice Network is a local Alabama effort to evaluate cost, quality and patient experience in member hospitals. Hospitals are categorized into either Lower Member Cost Share or Higher Member Cost Share, based on their performance.

Only Alabama general acute care hospitals are eligible for participation in the Hospital Choice Network. Rehabilitation hospitals, psychiatric hospitals, specialty facilities, out-of-state hospitals, VA hospitals and long-term care hospitals are exempt from Hospital Choice Network scoring.

All hospitals are evaluated annually with changes made effective January 1. In addition, reviews are completed on a quarterly basis allowing hospitals to improve their status. To review the evaluation criteria for all hospitals and/or the level of Member Cost Share for a particular hospital, please use the “Find a Doctor” tool on our website at **AlabamaBlue.com**. The Member Cost Share level will be included in the information provided for each hospital that participates in the Hospital Choice Network. For more information on the evaluation criteria, click on the name of the hospital and then click on the “Cost”, “Quality” or “Patient Experience” tabs. If you have any questions, please call the Customer Service number on the back of your ID card.

#### **Useful Information to Maximize Benefits**

- To maximize your benefits, always use in-network providers for services covered by your health benefit plan. To find in-network providers, check a provider directory, provider finder website (**AlabamaBlue.com**) or call 1-800-810-BLUE (2583).
- In-network hospitals, physicians and other healthcare providers have a contract with a Blue Cross and/or Blue Shield Plan for furnishing healthcare services at a reduced price (examples: BlueCard® PPO, PMD). In-network pharmacies are pharmacies that participate with Blue Cross and Blue Shield of Alabama or its Pharmacy Benefit Manager(s). In Alabama, in-network services provided by mental health disorders and substance abuse professionals are available through the Blue Choice Behavioral Health Network. Sometimes an in-network provider may furnish a service to you that is not covered under the contract between the provider and a Blue Cross and/or Blue Shield Plan. When this happens, benefits may be denied or reduced. Please refer to your benefit booklet for the type of provider network that we determine to be an in-network provider for a particular service or supply.
- Out-of-network providers generally do not contract with Blue Cross and/or Blue Shield Plans. If you use out-of-network providers, you may be responsible for filing your own claims and paying the difference between the provider's charge and the allowed amount. The allowed amount may be based on the negotiated rate payable to in-network providers in the same area, the average charge for care in the area, or in accordance with applicable Federal law.
- Please be aware that providers/specialists may be listed in a PPO directory or provider finder website, but not covered under this benefit plan. Please check your benefit booklet for more detailed coverage information.
- Teladoc® is an independent company providing phone and online physician consultation services to Blue Cross and Blue Shield of Alabama members.
- Please refer to your benefit book or contact Blue Cross directly about coverage for your hospital charges and other related medical services. Approval for air medical transportation does not mean that hospitalization and other medical expenses will be covered. All coverage determinations for medical benefits are subject to the terms, conditions, limitations and exclusions of the health plan. Air medical transportation services are provided through a contract with AirMed International, LLC, an independent company that does not provide Blue Cross and Blue Shield of Alabama products. Blue Cross is not responsible for any mistakes, errors or omissions that AirMed, its employees or staff members make. Air medical transportation services terminate if coverage by your health plan ends.
