Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$100 individual / \$200 family in-network. \$100 individual / \$200 family out-of-network.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. In-network preventive services, outpatient hospital services, inpatient hospital services, most physician services, some pediatric dental services, drugs, non-covered services and balance-billed charges are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care- benefits/</u> .
Are there other deductibles for specific services?	Yes. \$300 per admission for out-of-network. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this plan begins to pay for these services.
What is the <u>out-of-</u> pocket limit for this plan?	For in-network \$4,000 individual / \$8,000 family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out–of–pocket</u> limit?	All out-of-network cost sharing amounts (deductibles, copays and coinsurance), except out-of-network mental health disorders & substance abuse medical emergency services; except out-of-network medical emergency services and out-of-network air ambulance services; premiums, balance- billed charges and healthcare this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See <u>AlabamaBlue.com</u> or call 1-800-810-BLUE for a list of network providers.	This <u>plan</u> uses a <u>provider</u> network. You will pay less if you use a <u>provider</u> in the <u>plan</u> 's network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
