| Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall<br><u>deductible</u> ?                                  | <b>\$1,200</b> individual / <b>\$2,400</b> family in-network.<br><b>\$1,200</b> individual / <b>\$2,400</b> family out-of-network.   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount<br>before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each<br>family member must meet their own individual <u>deductible</u> until the total amount of<br><u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services<br>covered before you<br>meet your <u>deductible?</u>    | Yes. In-network preventive services, outpatient<br>hospital services, inpatient hospital services,<br>most physician services, some pediatric dental<br>services, drugs, non-covered services and<br>balance-billed charges are covered before you<br>meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .  |
| Are there other<br>deductibles for specific<br>services?                    | Yes. <b>\$1,000</b> per admission for out-of-network.<br>There are no other specific <u>deductibles</u> .  | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this plan begins to pay for these services.  |
| What is the <u>out-of-</u><br><u>pocket limit</u> for this<br><u>plan</u> ? | For in-network<br><b>\$6,750</b> individual / <b>\$13,000</b> family.  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?                    | All out-of-network cost sharing amounts<br>(deductibles, copays and coinsurance), except<br>out-of-network mental health disorders &<br>substance abuse medical emergency services;<br>except out-of-network medical emergency<br>services and out-of-network air ambulance<br>services; premiums; balance-billed charges and<br>healthcare this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you<br>use a <u>network provider</u> ?                 | Yes. See <u>AlabamaBlue.com</u> or call<br><b>1-800-810-BLUE</b> for a list of network providers.  | The Hospital Choice Network evaluates cost, quality and patient experience in member hospitals. Hospitals are categorized as either Lower Member Cost Share or Higher Member Cost Share, based on their performance. You might receive a bill from a provider for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u><br>to see a <u>specialist</u> ?               | No.  | You can see the specialist you choose without a referral.  |

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
