Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2024.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.

Blue Advantage (PPO) is provided by Patrius Health, an independent licensee of the Blue Cross and Blue Shield Association.

Blue Advantage is a PPO plan with a Medicare contract. Enrollment in **Blue Advantage (PPO)** depends on CMS contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat **Blue Advantage (PPO)** members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
