

Specialty Copay Solutions

Copay Maximization Drug List

Overview

Copay Maximization delivers savings by allowing clients to maximize the full value of drug manufacturer copay assistance for select specialty drugs. The copay assistance value is applied to the member's maximized copayment and blocked from applying to member accumulator balances.

- An integral component of Prime's offering is our rigorously managed drug list. Preemptive benefit design adjusts copayment on the drugs below to a maximized value to utilize available annual manufacturer copay assistance:
