

United States Preventive Services Task Force (USPSTF) Recommendations

Introduced 3.23.10

In accordance with requirements put forth through the Affordable Care Act (ACA), applicable employers elect to provide evidence-based Preventive Drug coverage at \$0. Below is the list of medications available for applicable plans with the NetResults and SourceRx Preventive Drug List. Check your Blue Cross benefit booklet to find out if the NetResults and SourceRx Preventive Drug List applies to your plan.

The drugs listed below are grouped into broad categories. Each category includes an alphabetical list of drugs. Please verify with your plan if a generic drug must be tried before the brand version of a drug is filled.

This list will be reviewed periodically and is subject to change.
