# Federal DentalBlue Standard and Basic Option Information

---

As long as you remain eligible for enrollment in Federal DentalBlue, your enrollment period is for the entire calendar year. The Federal DentalBlue benefits are based on year-long premiums. For federal employees hired in the middle of a calendar year, the enrollment period and total premium liability are determined based on the effective date of enrollment. **If you cancel your Federal DentalBlue coverage to enroll in a dental plan other than the national FEP BlueDental plan, you will not be able to re-enroll in Federal DentalBlue during the next three Open Seasons.**

This benefit is neither offered nor guaranteed under contract with the FEHB Program. This benefit is available to all enrollees and family members who reside in the service area for the Alabama Plan and are members of the Blue Cross and Blue Shield Service Benefit Plan's Standard or Basic Option.

## Partial List of Exclusions and Limitations:

- Benefits are provided for up to \$1,250 per person each year (in addition to your regular Standard Option or Basic Option benefits).
- Root canal therapy is limited to once per tooth per lifetime.
- Benefits are not provided for gingival curettage.
- Pulpotomy is limited to once per tooth per lifetime.
- Sealants are limited to the first permanent molars for children through age 13 with a \$20 maximum payment per tooth.
- There is a 24-month waiting period before benefits are available for services related to missing teeth such as full dentures, partial dentures and fixed bridges.
- Diagnosis, correction and treatment of TMJ are not covered.
- Orthodontics are not covered.
- Services or procedures rendered or commencing before your dental coverage effective date are not covered.

This is not a complete description of the Federal DentalBlue Standard or Basic Option plans. Please refer to your Federal DentalBlue Certificate of Benefits for a complete explanation of benefits, definitions, exclusions and limitations.
