Useful Information to Maximize Benefits

- To maximize your benefits, always use in-network providers for services covered by your health benefit plan. To find in-network providers, check a provider directory, provider finder website (AlabamaBlue.com) or call 1-800-810-BLUE (2583).
- In-network hospitals, physicians and other healthcare providers have a contract with a Blue Cross and/or Blue Shield Plan for furnishing
 healthcare services at a reduced price (examples: BlueCard® PPO, PMD). In-network pharmacies are pharmacies that participate with Blue Cross
 and Blue Shield of Alabama or its Pharmacy Benefit Manager(s).
- Sometimes an in-network provider may furnish a service to you that is not covered under the contract between the provider and a Blue Cross and/or Blue Shield Plan. When this happens, benefits may be denied or reduced. Please refer to your benefit booklet for the type of provider network that we determine to be an in-network provider for a particular service or supply.
- Out-of-network providers generally do not contract with Blue Cross and/or Blue Shield Plans. If you use out-of-network providers, you may be responsible for filing your own claims and paying the difference between the provider's charge and the allowed amount. The allowed amount may be based on the negotiated rate payable to in-network providers in the same area or the average charge for care in the area.
- Please be aware that providers/specialists may be listed in a PPO directory or provider finder website, but not covered under this benefit plan.
 Please check your benefit booklet for more detailed coverage information.

Please note: Providers/Specialists may be listed in a PPO directory or on the provider finder website (www.bcbs.com), but not covered as PPO benefits by this group health plan (i.e., DME, Ambulance, Allergists). Please check your benefit matrix or benefit booklet to determine coverage. This is not a contract, benefit booklet or Summary Plan Description. Benefits are subject to the terms, limitations and conditions of the group contract. Check your benefit booklet for more detailed coverage information.

PEEHIP members who use non-participating hospitals, providers or outpatient facilities will incur additional out-of-pocket costs.

<u>To maximize your benefits, always use network providers.</u>
